No. 15.—The following resolutions of the Government of India are republished:—

HOME DEPARTMENT.

POLITICAL.

Delhi, the 18*th December* 1914.

No. 2831-2864.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department, No. 2831-2842, dated the 8th December 1909, the Governor-General in Council is pleased to issue the following instructions with regard to certificates of identity.

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to embarrassed circumstances, are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be especially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability, is not sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant_____
2. Father's name and caste_____
3. Residence_____
4. Age of applicant_____
5. Nationality of applicant* _____
6. Social or pecuniary status of father or (guardian)_____
7. Date or probable departure of applicant from India_____
8. Object of applicant's visit to England (Europe)

Signature of District Officer (in a Presidency Town, the Commissioner of Police or Political Officer, or head of school or college.†)

*Dated*_____

* I.e., whether a British subject by birth or by naturalization (or a subject of a Native State).

† Countersignature of the District or Political Officer should be obtained on certificates signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground that he is a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure the grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a Local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

Simla, the 2nd August 1916.

No. 6687.—The following letter received from the Government of the East Africa Protectorate is published for general information :—

THE SECRETARIAT, NAIROBI,
EAST AFRICA PROTECTORATE,
June 27, 1916.

Sir,

I have the honour to inform you that the Government of the British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1906, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2 Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 3 (a) * might be permitted to enter the Protectorate on payment of a deposit according to nationality.† In the course of time this restriction was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is in itself objectionable inasmuch as the deposit prescribed by section 11 of the Ordinance of 1906 is payable before landing and if this section is read together with section 3 (1) of the amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1916 and I have the honour to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,

Sir,

Your most obedient servant,

C. C. BOWRING,
Chief Secretary to the Government.

Local Governments and Administrations are requested to make the intimation contained in the letter as widely known as possible, particularly in places from which emigration to British East Africa is believed to be most common. Intending emigrants should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 50, or to comply with the demand for the requisite security in lieu of the deposit.

* The section prohibits the immigration of any person without visible means of support or any person who is likely to become a pauper or a public charge

† The deposit required from a native of India is Rs. 50.

Private candidates are warned to study the notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination.*

12. Private candidates desirous of assuring themselves that their applications have been received should follow the procedure laid down for headmasters in respect of nominal rolls in paragraph 4 *supra*.

13. For information as to the text-books prescribed in English and other languages and as to the special periods to be studied in the History of England and India, candidates are referred to the notices published by this office in the *Fort St. George Gazette* from time to time.

REVISED NOTIFICATION.

RULES AND DIRECTIONS FOR THE ADMISSION OF HOLDERS OF SECONDARY SCHOOL LEAVING CERTIFICATES TO UNIVERSITY COURSES OF STUDY.

I. Admission of holders of Secondary School Leaving Certificates to University courses of study in the academic year 1928-29 and subsequent years shall be made only in accordance with the following rules and directions.

II. Such holders only of completed Secondary School Leaving Certificates may be admitted to University courses of study, and registered as matriculates under Regulation I of Chapter XXX as in

had completed not less than 16 years of age on the first day of the month in which the examination qualifying for such certificates is held, unless specially exempted from the operation of this age limit, and (*b*) have been declared eligible for such admission by the Syndicate.

III. A complete list of certificate holders declared eligible for admission to University courses of study will be published annually in the *Fort St. George Gazette*, and a copy of this list will be furnished to each Principal of a Constituent or Affiliated College. A certificate holder not included in one of these lists will not be entitled to registration as a matriculate under Regulation 4 of Chapter XXX.

IV. In the case of certificates issued under the authority of the Government of Madras those holders of certificates who qualify under the following rules will be included in the list of those declared eligible for admission to University courses of study :—

1. Secondary School-Leaving Certificate holders shall be eligible for admission to University courses of study, who secure at the Public Examination (1) 35 per cent of the marks in each of the three subjects of Group A (except Vernacular Composition and Translation, in the case of school pupils who are exempted by the Director of Public Instruction the study of this subject in Group A), and (2) 35 per cent of the marks in each of the two subjects selected under Group C, one of which shall be Algebra and Geometry, or Physics, or Chemistry, or Botany, or History of England and India, subject to the following proviso :—

> A certificate-holder who secures in the aggregate 175 marks in the five subjects but fails by a deficiency of not more than one mark in each of two subjects, not of the same group, shall be declared eligible for admission to University courses.

A Moderation Board shall be appointed by the Syndicate to consider cases of certificate-holders who get an aggregate of not less than 200 marks and not less than 35 per cent of the marks in each of three subjects—not all from the same group—but do not satisfy the above rule.

2. In the case of a Secondary School-Leaving Certificate-holder who has been exempted the study of Vernacular Composition and Translation the total marks required for the purpose of the application of the rule above will be reduced by one-fifth.

V. In the case of certificates issued under the authority of Native States in the territorial jurisdiction of the University, similar standards for admission will be applied.

VI. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be required to undergo a supplementary course at school in all the subjects of Group A and in two subjects of Group C. He must again appear at the Public Examination in all the five subjects at the close of this supplementary course and his eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and penultimate examinations. Also in the case of a candidate who, after undergoing a supplementary course and examination, has failed again to qualify for admission to University courses of study and who is permitted to appear at the Public Examination in a subsequent year after private study, eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and the penultimate examinations.

VII. *Certificates once scrutinized, the holders of which were found to be ineligible under the rules in force at the time of scrutiny, will not be re-considered for purposes of being declared eligible for admission to University courses of study.*

VIII. The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate holders found to be eligible for admission to University courses of study in Constituent or Affiliated Colleges under the rules and directions issued from time to time. It is, however, to be clearly understood that inclusion in the list confers on no certificate-holder the right of admission to any Constituent or Affiliated College. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate holders as, judged by their certificates, may be expected to profit by the particular courses of study upon which they propose to enter in the college selected.

*NOTE.—School-Leaving Certificates issued prior to 1918 only will be scrutinized in this office. Such certificates should be received in this office for scrutiny not later than the 1st April 1928. 4. Applicants are warned that the Indian Patents and Designs Act, 1911, is in force in British India only, and patents granted under it do not extend to the United Kingdom or any of the British Possessions. The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 4 p.m. and 8 p.m. and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the Barometer is twenty two feet above the level of the sea, and the receiver of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since 1st January to 31st December 1927 is 32·40 inches, the average due for the same period being 49·02 inches.

The total quantity of rain collected since 1st to 8th January 1928 is 1·14 inches, the average due for the same period being 0·19 inch.
